Financial Aid

As a non-profit organisation iThemba depends on funding from government and the communities at large to operate. These funds go towards the running of the VEC Centres and paying the salaries of our dedicated staff. By pledging your support - either in the form of a once-off payment or a monthly contribution we can continue to positively impact communities and serve the victims at the point of their need.

Our Vision

To empower, support and assist survivors of gender based violence and sexual assault through the process of healing and reconciliation in our community

Our Mission

To offer support to people affected by trauma

To enable a process of advocacy for these people

To educate and raise awareness about **GBV** & sexual assault in our community
